MAYOR'S COLUMN

JUNE 8th.

In preparation for the official acceptance by the Town and two School Boards of the Joint - Use Agreement, and as a first step to a complete reorganization of our Recreation Department all current Recreation by-laws were rescinded at a meeting of Council last Thursday, June 2nd. To the public at large this action will in no way affect our present Recreation Programme. Since the resignation of our Recreation Director an interim summer recreation programme (largely prepared by Lena Holgersen) has been approved by Council and by late summer the reorganization should be complete.

I have felt for some time that the Terms of Reference (by-law) which our Recreation Board operated under needed revamping to spell out more explicitly the duties and functions of the Board. In view of this I have been reluctant to have Council fill all the vacancies on the Board which have occurred over the past number of months. The rescinding of the by-law of course dissolves the Recreation Board and before another can be appointed a new by-law will have to be drawn up and passed by Council. Many citizens of St. Albert have contributed a valuable service to the Town through their membership on the Recreation Board and my thanks on behalf of Council go out to these people.

Later in June I will be calling Special Meetings of Council to give further study and consideration to recreation in St. Albert. Specifically we must make a decision as to the hiring of a new Rec-

Continued on page 2

We Celebrate St. Albert's 105th Birthday With a Booming RODEO 105 Party!

Just one and one half short weeks from now on June 17th and 18th, 1966, Championship Rodeo, St. Albert Rodeo "105", will be held to commemorate the 105th birthday of the oldest town in Alberta.

This entire show is being sponsored by the Klansmen Club of St. Albert, who together with the aid of many church and community organizations, will put together the largest extravaganza ever to grace the shores of the Sturgeon River.

We are sure many will recall the misfortune that beset the St. Albert Klansmen last year, who endeavored to run a Rodeo on two different occasions last summer, and were ruined out on both attempts resulting in a loss of thousands of dollars. However, that is now history, and 1966 has seen 22 dedicated Klansmen, who derive their source of income in the City of Edmonton, and who have one purpose in mind - to serve their community. These 22 fellows have been working since last November and are going to give it another try this year. There is no money, just experience, enthusiasm, and initiative, and as a result budgets have been set at a bare minimum to see this project through. With this in mind, all of us should HELP in getting the message across to the public, anything we can do to assist the Klansmen in this direction will be greatly appreciated.

LET IT BE A BIRTHDAY 105 YEARS WORTHY!

JOIN THE PARADE!

One of the highlights during our 105th birthday will be the parade on Saturday June 18th.

This is our opportunity to support the St. Albert Klansmen Club to make Rodeo "105" a great success!

St. Albert Parades over the past 4 years have a very good name in Edmonton & District, thousands of Edmontonians and Sturgeons residents have enjoyed this colorful event.

Let Rodeo "105" have the best parade ever this year! We as citizens of St. Albert have the success of such an attraction in our hands. We as citizens can make this strong and pleasant public relations medium work perfectly!

"Join the Parade" is the slogan for all our clubs, organizations and churches!

"Join the Parade" is the goal of all our businessmen!

"Join the Parade" is the call to all our citizens as individuals!

"Join the Parade" is the big fun for all our youngsters!

You still have time to enter this Parade! Phone the man in charge of this big event. Let his phone become "red hot".

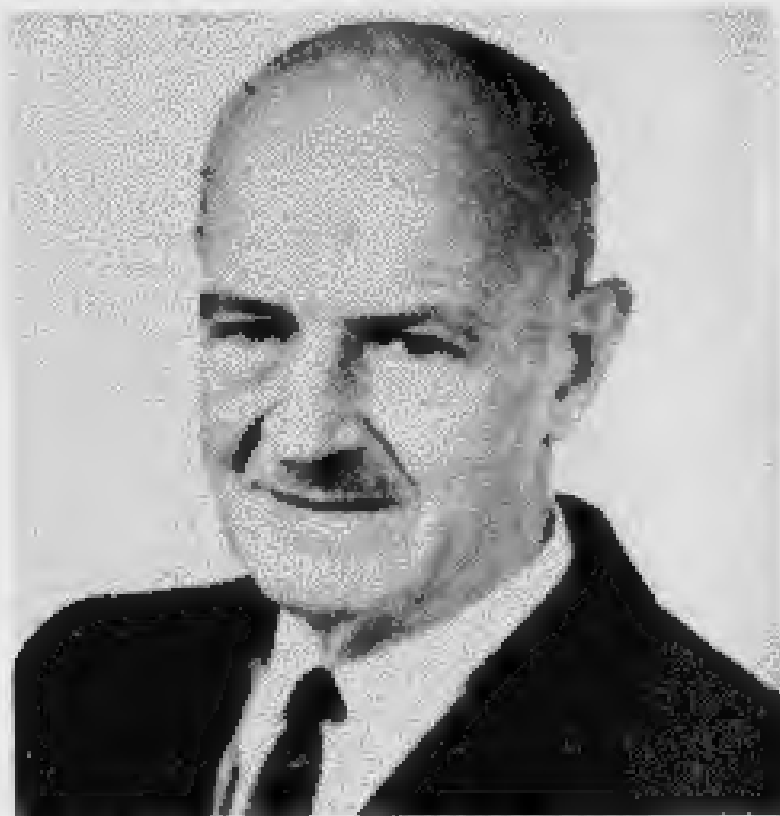

Look at your participation as a small annual duty and action of honour towards our community and fellow residents. Let's show our community spirit again as we did many times in the past so cheerfully.

Phone Bob Fordand, the Parade Marshall at 599-8284.

G. Bantam Women 1 & 1/4 miles
Team races in all events
(3 athletes per team)
Dressing rooms for the A & H event will be provided at the Bonaventure Motor Hotel as well as transportation back to the Bonaventure from the Rodeo Grounds. Dressing rooms for all other classes will be at the St. Albert High School.

Trophies and other awards will be awarded to 1st, 2nd, 3rd, as well as team winners in all classes. Trophies so far donated for this annual race are two from the Bonaventure Motor Hotel, one from the Purple Dude, one from the Safeway. Anyone interested in donating a trophy or requiring further information, please phone Mr. T. Kowarsky at 599-7900.

Lieutenant Governor in St. Albert This Saturday

CAVALCADE OF BOOKS

Saturday morning, June 18th at 9:30 a.m., cars will meet at Sir George Simpson School to deliver books donated to the St. Albert Public Library by the ladies of St. Albert.

To date more than two thousand five hundred (2,500) books have been collected, and it is hoped the final figure will exceed three

thousand.

The St. Albert Air Guard Band will lead the parade in the Town Hall, where the Lieutenant Governor, Grant McEwan will present a copy of one of his books to Mrs. Mildred Harroon, to be placed in our new Centennial Library.

Interested citizens are asked to be at the school at 9:30 a.m. to join the parade.

THE TRADITIONAL ST. ALBERT GAZETTE BIKE DECORATION CONTEST SATURDAY JUNE 18th ST. ALBERT 105th. ANNIVERSARY RODEO 105

An invitation to all the youngsters in our Town and District to take part in a Bike

Decorating Contest to be held during the big Parade, Rodeo "105" Saturday June 18th.

All Entrants are to be on the Sir George Simpson School (parking area) at 9 a.m. Saturday June 18th.

Judges will be members of the Gazette Staff.

Two Dollar Prizes will be awarded to the Most ORIGINAL ENTRIES in each of the following 3 Classes: ages 5-7, 8-10 and 11-14.

COUNCIL RESCINDS RECREATION BYLAW

Town Without Recreation Board and Recreation Director

Minutes of the Special Meeting of Council, held on Thursday, June 9th, 1966.

PRESENT: Mayor Fowler, Councillors Baker, Parker, Dennis, de Bruin and Gibson.

Sec. Treasurer: Fred Wheeling, **Officer Present:** S. L. Ridgway, A. R. Galt, Mrs. Lora Holgerman and Mr. U. Melnychuk.

NOTICE OF MEETING: This Special Meeting was called at a meeting held on May 24th, 1966, when all members of Council were present, for the purpose of rescinding Recreation By-law No. 31/66.

RECREATION BYLAW: Mayor Fowler, in making his motion to rescind the Recreation By-law No. 31/66, stated that the purpose of the meeting was to discuss the Recreation By-law and to decide whether or not it should be rescinded. He stated that the Recreation By-law was a good one, but that it was not in the best interests of the Town to have it. He stated that the Recreation By-law was a good one, but that it was not in the best interests of the Town to have it.

RECREATION BYLAW: Mayor Fowler, in making his motion to rescind the Recreation By-law No. 31/66, stated that the purpose of the meeting was to discuss the Recreation By-law and to decide whether or not it should be rescinded. He stated that the Recreation By-law was a good one, but that it was not in the best interests of the Town to have it.

RECREATION BYLAW: Mayor Fowler, in making his motion to rescind the Recreation By-law No. 31/66, stated that the purpose of the meeting was to discuss the Recreation By-law and to decide whether or not it should be rescinded. He stated that the Recreation By-law was a good one, but that it was not in the best interests of the Town to have it.

RECREATION BYLAW: Mayor Fowler, in making his motion to rescind the Recreation By-law No. 31/66, stated that the purpose of the meeting was to discuss the Recreation By-law and to decide whether or not it should be rescinded. He stated that the Recreation By-law was a good one, but that it was not in the best interests of the Town to have it.

Mayor Fowler then asked Councillor Baker to explain why he felt the system had broken down. He advised that in view of the Recreation Director's resignation and the reasons given for same, the policy had not worked in his opinion.

Mr. Wheeling suggested, at this point, that Mrs. Holgerman and Mr. Melnychuk be permitted to present their reports on the activities planned for the coming months.

Mrs. Holgerman then presented a programme of cultural activities and playground activities for the months of July and August. She advised that there would be three playgrounds this year under supervision, in Mission Park, the Lions Park and the Paul Kane Teen Centre. The three parks are sponsored by the R.C., the Lions Club and the Knights of Columbus respectively.

Mr. Melnychuk then presented a report on forthcoming activities at Sports Supervisor, Library, Wheeling, grounds, in Paul Kane and St. Albert schools, as indoor sports and various outdoor sports programs for both boys and girls of different age groups. He stated further that the program could be advertised throughout Town so that all children interested in participating in the various activities will be fully advised.

Mayor Fowler asked Mr. Baker what plans there were for recreation after the summer season and the interim program as explained by Mr. Melnychuk. Mr. Wheeling advised that there were two areas of main concern, the re-organizing of activities and the finances to handle them. He also stated that a great deal depended upon Council's decision whether recreation would

be handled by a Director or by a Co-ordinating Supervisor.

Mr. Wheeling advised that he would recommend that the Director not be replaced immediately, but that we should continue to operate for a few months under the present system until a decision could be made as to the type of person required for the Recreation Department and its programmes.

The Secretary-Treasurer proceeded to explain the proposed Winter Programme, including skating and hockey and the cultural activities which Mrs. Holgerman had after.

Councillor Baker stated that he could not see why a Recreation Director could not be a Co-ordinator and he would not favour a less qualified person to act as Co-ordinator as was suggested by the Sec. Treasurer.

Councillor Gibson felt that if the Programme as outlined by Mr. Galt were to be followed, there was no reason why the Town could not have a successful Recreation Department, whether we hired a Director or a Co-ordinator.

There was followed a lengthy discussion on the composition of the Recreation Board, whether or not members of the School Boards and Council should be appointed to this Board, whether there was a need for a Board, terms of reference of the Board, the Recreation By-law, etc., following which, Councillor Baker suggested that the Reports from the staff in the programmes for the coming months should be reviewed by Council before confining with the discussion on the Board.

Council decided to approve the Programme as outlined to them and thanked the members of staff for attending the meeting.

The discussion then continued on the composition of the Recreation Board and Councillor Gibson stated that he did not feel that elected representatives

should be on the Board, Councillor Dennis, however, felt that members of Council should be appointed to the Board, and gave his reasons for this opinion. Mayor Fowler then proceeded to read from the proposed new By-law which portion outlined the duties of the Board members.

The passing of By-law No. 31/66 had the effect of dissolving the present Recreation Board and Councillor Baker therefore moved the following resolution:

A letter of thanks to be sent to the members of the former Recreation Board for their services rendered.

Mayor Fowler advised Council that some decision should be made regarding a Recreation Director and the new By-law. Councillor Dennis stated that he would like to see the matter postponed for a while to see how the Summer Programme progresses and the results of the Joint Use negotiations. Councillor Baker felt that Council should make a decision regarding the hiring of a Director before the Summer Recreation Programme comes to an end.

Mr. Wheeling advised that the Joint Use Agreement is now in its final stages and that a meeting would be held for a final joint discussion on some before ratification.

It was agreed that the question of a Recreation Director would be discussed at the second meeting in June and Mr. Wheeling was requested to place this item on the Agenda.

A discussion turned to the new By-law to establish a Parks and Recreation Advisory Board, and the question of Neighbourhood Councils was raised by Councillor Baker who said that he would like the staff to look into this matter to see how we can best encourage the establishment of same. It was suggested that the President of the Federation of Community Leagues be invited

to discuss this matter with Council. Mr. Wheeling also advised that the President of the Alberta Recreation Association, who is also the Director of Community Programmes for the City of Edmonton, has indicated that he would be willing to speak to Council and answer any question on the application of Recreation in the Town.

Mr. Bob Hock will be contacted and asked to meet with Council at a Special Meeting to be called for Wednesday June 22nd, 1966, together with the President of the Federation of Community Leagues.

It was agreed that the purpose for which the meeting is to be called could be defined in the letter from the Mayor calling the meeting.

The question was raised by Councillor Dennis as to the guidance and assistance of organizations now that the Recreation Board no longer existed. Mayor Fowler indicated that he could see no reason for the disruption of the administration and that requests for financial assistance would have to come before the Finance Committee with or without a Recreation Board.

A number of other questions in connection with the payment of playground leaders, use of school facilities, etc. were answered by Mr. Galt.

RODEO 105 June 17 and 18 MANY PARADE ENTRIES

Many bands and approximately 1000 individuals and individuals are expected to participate in the parade. The parade will start at 10:00 a.m. on Saturday, June 17th, and will end at 10:00 a.m. on Sunday, June 18th. The parade will be held on the main street of St. Albert.

MAYOR'S COLUMN

Mayor Fowler and five other members of the City of St. Albert. The Mayor of almost any municipality is "Improvement". I am convinced that the decisions of Council in regard to this Department will bring about great improvements in the operation of the City of St. Albert. I believe that the Mayor, together with the other members of Council, will bring about a more harmonious relationship between all recreation-minded groups and individuals in St. Albert.

Any way you figure it
THE FINEST WELCOME TO ST. ALBERT IS WELCOME WAGON

A well thought out system will make you feel at home with no better gifts and answers to questions about the city, its services and facilities.

Arts Degree Through Iron Will

Sheila Rose daughter of Mr. and Mrs. Neil Rose of St. Albert has received her Arts degree at the U of A. Her schooling was often interrupted by long sessions in hospital in (Duff, Edmonton, Rochester (Maine) and Tucson).

A remarkable result as Sheila is an arthritic patient and has been for more than 19 years. Through her "Iron Will", she received her degree which is a unique performance and an example for all those students who are blessed with good health and are in excellent physical condition.

Sheila's aim is to be a teacher preferably in a high school for crippled or handicapped students. Her courage is of such a high calibre that she plans to work on her Education Degree.

Indeed a daughter to be very proud of and a real asset to the Town of St. Albert.

Footbridge, Centennial Project

Mothers and fathers, living in the Mission Park Area are worried everyday when their children have to cross the small bridge in Perron Street. One wrong move sideways on this ugly bridge could mean the loss of a life! The mothers and fathers came together and

decided to celebrate our Centennial year with the plan to build a footbridge parallel to the freeway.

It is to be hoped that the energetic Mission Park Residents will receive the support of the Town, which is certainly necessary to complete such a large technical project.

Catholic Women's League

Thirty one members of the C.W.L. were present for the general meeting held on Monday the 6th. The high-light of the evening was a panel discussion the topic, "Should Churches Pay Taxes?" (Guest panelists were Rev. Joly Minister of the Baptist Church,

and Mrs. Primrose of the United Church.

Hostesses for the general meeting of July are Misses, Vaugeois, Hunt, Foster and LeBlanc.

The ladies are asked to return all raffle tickets over to Mrs. M. Brown to Seymour by June 15th.

LOYD WHEATING,
SECRETARY-TREASURER

Ship Builder in St. Albert

James Family Enjoys Arts and Crafts

W.J.N.

When we entered his lawn, we couldn't believe our eyes when we saw a fantastic exhibition of ships, displayed in his garden.

Three and four mast schooners, American frigates, British battle ships, Viking and of course "The Santa Maria" and many more historic ships, all built by John James, 32 St. Michael Street.

John is a master craftsman in the field of model ship building. The type of ships he prefers are the ones not younger than 1000 A.C. He learned this wonderful skill from his father, who was a sailor. John has still a model ship at his house, a beautiful schooner, built by his father at 14 years of age. He never will sell this ship, "even for 1,000 dollars" he said, because it is the dear remembrance of the days that John's father taught him the beauty of this art.

John has built so many ships

over so many years. Many ships found their way to other cities and towns as a "give away" to Navy Leagues and people who love this special kind of art.

All work is done during leisure time, as John creates 3 ships per year. Thousands of yards of embroidery cotton is used to complete the sail enclosures. Only cedar wood is used as building material as it is the only kind of wood fit for this kind of craft. John finds the models illustrated in all kinds of books, papers and magazines, which he collects from all over the country.

But John is not the only one in the James family who is arts and crafts minded. His lovely wife Mary, a good mother, is an expert in needle craft, as we saw some beautiful work hanging on the wall in their living room.

By the way, practically everything in this pleasant living room is made by one or the other of the James family.

Daughter Carol, now married

and living in Vancouver, painted and loved copper tooling. Her work decorates more than one wall in the same room. But even the beautifully finished table sets are from the hand of John James Jr., student at the St. Albert High School. As Mary said "This is what we spend our money on".

The James family couldn't use their money better as they have brought a lovely atmosphere in their home, which also was built by John and Mary themselves.

As I left their house I thought about this remarkable quiet family living in a quiet part of our town. So great in the creation of beauty, peace and love. "That's what they use their time and money for" isn't it remarkable and isn't it a reminder to all of us that we are not only living by "bread wine, games and money" but that the better part of our lifetime should be dedicated to those creative values which God has given to everybody, who wants to make use of them.

a tie for top honours between Tommy Calder and Greg Doffie. Runner up was Stephen Laird.

In the Girls Division Lynn Hopkins was the winner.

A Senior tournament will be held on Saturday June 18th, beginning at 10:00 a.m. At this tournament the winning junior members will participate.

Should there be inclement weather, the Senior tournament will be held the following day on Sunday, June 12th.

Don't Stay
in the Dark!

"Doing business in the dark" is
like being blindfolded. Let us
bring you the light. We have
\$75,000.00 in cash and credit.

Makes Dough to Make Dough

Mr. Art Van Sleds, a member
of the family business, St. Albert
Bakery, recently graduated from
the Northern Alberta Institute of
Technology's first baker appren-
tice course and the first of its
kind in Canada. Here he is shown
on the left with Mr. Tweed, in-
structor at the Institute, dropping
bread dough into a portable dough
molder and sweeter.

During the three year training
program, Mr. Van Sleds and six
other baker apprentices com-
pleted the course, spent 14
months of each year at the in-
stitute and the other ten months
in their own or family bakeries.
In the province, several
features of the program: skilled
practical work with fermented
goods, cake-making, pastries,

cookies, fillings and cream, as
well as theoretical study. The
Institute is a part of the
Alberta Institute of Technology.

The apprenticeship program is
a part of the Alberta Institute of
Technology's first of its kind in
Canada. The program was
launched by the Department of
Education.
